

PRODUCT SPEC SHEET

Model: MADF301836-9M
Series: Garage
Description: Modular Base Cabinet

Product Overview

Features & Benefits

- Ideal for work-height storage in any workspace
- Heavy-duty welded steel construction with powder-coated matte finish provides lasting durability, beauty and protection
- Fully adjustable shelf on 2" centers, plus bottom shelf to accommodate different size items
- Drawer with lock, fully extends on ball-bearing slides for smooth continuous operation
- 200 lb. capacity shelves when weight is evenly distributed
- Heavy duty rounded legs with leveling guides to keep cabinet evenly leveled
- Doors feature full length door pulls and built-in steel pegboard panels on the inside for hanging tools (clips not included)
- Push button handle with lock to keep cabinet secure
- Rear cut-out access holes allow cords through for charging tools and electronics when cabinet is locked
- Meets ANSI/BIFMA shelf standards; Greenguard Gold certified
